# Vehicle History Report + Lien Check

## Lien Check

! Lien Records found in **Ontario**.

✓ No lien Records found in **Quebec**.

### How We Check for Liens

At iVin, we use the VIN (Vehicle Identification Number) to search official government vehicle registration records across multiple provinces or regions where the vehicle has been registered, both currently and historically.

If a VIN has no active or historical registration records, lien verification may not be available.

We strongly recommend that buyers always request written confirmation from sellers that there is no outstanding lien on the vehicle.

### iVin Lien Information Disclaimer

If for any reason the lien check fails to accurately reflect the enforceable lien status of a vehicle at the time of the search, we will reimburse the party who purchased the report and relied on it to their detriment. The reimbursement will be provided up to a maximum of the vehicle's value, the lien's value, or \$5,000 USD—whichever amount is lower.
